Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Monday 12 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A mostly dry morning, then heavy showers possible.

Today:
Mostly dry but cloudy during the morning, with a little patchy rain in the south. A few heavy and possibly thundery showers may develop through the afternoon. Sunny spells forming later. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers ease through the evening to leave a largely dry night. Clear spells likely to form through broken low cloud. Feeling mild. Minimum temperature 14 deg C (57 deg F).

Tuesday:
Starting off dry on Tuesday with some sunny spells. Patchy cloud and showers developing through the afternoon, with the odd heavier one possible. Skies clearing through the evening. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Staying dry throughout. Often sunny on Wednesday and Friday, but cloudier on Thursday. Gradually warming through this period.
